Going to the movies has always been one of my favourite things to do!
For this reason, I am excited to partner with HOYTS to take your HOYTS LUX
premium cinema experience to the next level.

With gourmet quality ingredients, I'll be bringing classic French flavours and
some modern twists for you to enjoy while experiencing the latest movies on
the big screen. Of course there are some movie favourites like burgers and
loaded fries, but something a little more special too like my French style
beef bourguignon pie.

Whether it's date night or catching up with friends and family, who doesn't
love great food? Now you can experience the ultimate dine in cinema
experience with your next movie, created with love by me, Manu.

And as they say in the movies - Bon appetite!
